

Leigh's Nurseries is a 43 place full day care setting in Heddon on the Wall. We are open from 7.30am to 6.00pm, Monday to Friday, 51 weeks per year. The nursery is closed between Christmas and New Year, and on bank holidays.

Our nursery has been rated as "Outstanding" by Ofsted in our last two surprise inspections, which took place in September 2008 and March 2014. Receiving back to back outstanding grades is very rare and puts our nursery in the top 2% of all settings in England & Wales.

"Children thrive in a nursery where their needs are put first. The key person system works exceptionally well in encouraging children to feel happy, welcome, secure and valued. Key persons work very closely with parents and other professionals so that children benefit from strong continuity of care." - quote from our most recent Ofsted report.

At Leigh's Nurseries we pride ourselves on the quality of care which we provide to all the children who come to our nursery. We know that quality of care is the most important factor for parents when selecting day care. We strive to ensure that all of the children feel happy, safe and secure. Safety and welfare are our top priorities. We create a vibrant and inspiring learning environment that supports children of all ages. Making sure your child has a fun and fulfilling day is very important to us. We also encourage parents & carers to be interested and involved in your child's day at nursery.

Healthy meals are cooked daily on site by our qualified chef. We can work with you if your child has any special dietary requirements.

Nursery fees can be paid by Bacs transfer or through salary voucher schemes. We accept payments from all of the main providers, just ask for details. We do not accept payment by cash, cheque or card.
