

Leigh's Nurseries is a 98 place full day care setting situated in Longbenton. We are open from 7.30am to 6.00pm, Monday to Friday, 51 weeks per year. The nursery is closed between Christmas and New Year and on bank holidays.

We took over the premises in September 2014 and have since totally refurbished the nursery. We offer a warm, loving and homely environment which helps children to settle in quickly. We provide a place where children feel safe, happy and can let their own little personalities shine.

At Leigh's Nurseries we pride ourselves on the quality of care which we provide to all the children who come to our nursery. We know that quality of care is the most important factor for parents when selecting day care. We strive to ensure that all of the children feel happy, safe and secure. Safety and welfare are our top priorities. We create a vibrant and inspiring learning environment that supports children of all ages. Making sure your child has a fun and fulfilling day is very important to us. We also encourage parents & carers to be interested and involved in your child's day at nursery.

Healthy meals are cooked daily on site by our qualified chef. We can work with you if your child has any special dietary requirements.

Our large outdoor area surrounds the nursery and backs onto our neighbouring primary school fields, creating a peaceful and stimulating environment. We have lots of resources outside which cater for all the children's different needs and interests.

Nursery fees can be paid by Bacs transfer or through salary voucher schemes. We accept payments from all of the main providers, just ask for details. We do not accept payment by cash, cheque or card.
